

RAHUL PATIL

.Net Developer

Dedicated and results-oriented .NET Developer with two years of hands-on experience in designing, developing, and deploying scalable software solutions. Proficient in leveraging the .NET framework, C#, and ASP.NET to create efficient and robust applications. Skilled in database management with SQL Server, optimizing performance and ensuring seamless functionality. Experienced in collaborating within cross-functional teams, contributing innovative ideas, and translating client requirements into technical solutions. Adept at problem-solving and committed to staying updated with emerging technologies to drive continuous improvement and deliver high-quality, user-centric applications.

Experience

Oct-2021 To Dec-2023

Wipro Limited

- I had worked on Client Site that was ICICI BANK, Mumbai.
- ICICI bank have a multiple application .These applications are intranet application.
- I had worked on Project24 application.
- Project 24 has a intranet based application, which are available to the client for confirmation within 24 hours of deals booking with the goal of receiving confirmation within 5 days of booking. The booking deals from Project 24 application are get from API for a client. After booking deals it will process for confirmation & cancellation through Scheduler and project 24 application.
- After requirement gathering, decide deadline time as per requirement and started development.
- All the code stored in GitHub as per required branches. If new requirement , then create a new branch for that requirement and start development.
- On successfully development then Execute CI Pipeline through Jenkins to deployment of application on Server and create Test cases for that new requirement and send application for testing to testing team.
- On successfully testing then send Updated Patch to the application Owner (AO).

Education

Aug-2017 To Aug -2021: **Bachelor Of Technology | Computer Science**

Sushila Devi Bansal College of Engineering
Indore. Madhya Pradesh

Aug-2016 To May-2017: **High School | PCM**

Shri Jai Govind Gopinath Higher Secondary School
Mhow. District: Indore. Madhya Pradesh

Aug-2015 To May-2016: **Higher Secondary School**

Shri Jai Govind Gopinath Higher Secondary School
Mhow, District: Indore, Madhya Pradesh

Personal Details

- **Date of Birth :** 18-Nov-1999
- **Martial Status :** Single
- **Nationality :** Indian
- **Gender :** Male
- **Hobbies :** Listening Music
- **Language Known:** English , Hindi , Marathi
